

LET US CAPTURE YOUR ART!

Bay Photo Film at Park Ave is offering Open Studios 2025 artists 2 special packages to get their artwork (flat art only) professionally photographed and files formatted to Open Studios application specifications!

Standard Package **\$169**

(Normal Price ~~\$210~~)

- 7 Artworks Photographed with standard digital camera.
- Delivery of 7 High Resolution JPG Files
- Delivery of OS Application formatted files. 6 JPG and 1 TIF (for catalog)
- Turnaround 3 - 4 business days.

Pro Package **\$339**

(Normal Price ~~\$420~~)

- 7 Artworks Photographed with higher quality medium format digital camera.
- Delivery of 7 High Resolution TIF and JPG files.
- Delivery of OS Application formatted files. 6 JPG and 1 TIF (for catalog)
- Turnaround 2 - 3 business days.

Requirements for Standard Package:

- Artwork must be 20x30" or smaller.
- Artwork must have a flat surface and not be reflective. (Examples of non reflective art are watercolor, pastel, collage, mounted textiles, and some acrylics.)
- Artwork that is larger than 20x30", has a glossy/reflective surface, or metallic media will have to be photographed with the **Pro Package**.

All files from both the Standard and Pro packages can be used for making gicleé prints on fine art papers, canvas, and more. The Pro Package offers higher detail files that are best for large reproductions and ultimate quality.
